## Fall Season is Here!!!

Dear All!

Fall is here. We love this time of year in Colorado. The Aspens are some of the prettiest trees! It looks like God took the mountains and weaved them with gold!

The Lord really worked in awesome ways this summer. 334 Campers came to know Christ as their Savior. Now we are seeing Him work in the lives of the students who come for outdoor education. We serve more kids and families in the fall, winter, and spring than the whole summer! Please keep us in your prayers.

### A Special request...

Camp has asked Lisa and I to go through our mailing list and divide it into two categories:

#### Category #1: Bi-monthly Newsletter...

This is where you would still receive our newsletter every other month.

#### Category #2 Annual Newsletter...

This is where you would receive a newsletter from us only once a year.

We have enclosed a prepaid envelope and a response card for you to let us know which you would rather do. If we do not receive a response we will assume you want to be taken off.

Thank you for helping us in this matter.

## Camp News

CCI is once again coming this December. CCI is a conference for those in Christian Camping. The event allows you to be renewed spiritually, mentally, and allows for vital training. Last year Lisa and I both went. This year only I will be able to attend due to higher cost of travel. It is going to be held in Savannah, Georgia. We only need to raise \$150.00 more out of the \$650.00. Please pray with us that the rest of the funds would come in, and that my time there would be a time of learning and growth!
