Season's Greetings

Dear Friends & Family,

This fall has come and gone so fast. We have been very busy keeping up with teaching classes, our deputation trip, recruiting staff for next summer, and speaking to churches. They tell us the next two months are slower, if this is so it will be nice so we can catch up on some things. (=

Our deputation trip went well. It was a good time of sharing with many about our ministry, but due to the fires in CA and other circumstances we were not able to see some folks. Our hearts go out to those

who lost their homes. We had some family among those who suffered loss. We would ask that you keep them in your prayers this holiday season.

Lisa and I were also in a car wreck while out there. We were fine, our car, however, suffered some front-end damage. Through it all we were able to see God bless and provide more wonderfully than ever! It is amazing how in those times of trials we see Him work in us and through others so clearly!!!

As we approach the holidays we look forward to

possibly being able to see my folks in Florida for Christmas! It has been four years since we have been able to spend Christmas with them.

We look forward to this time of year to focus on what our Savior Jesus Christ has done for us. We hope that this time of year will bless you as we all celebrate His birth!

Merry Christmas
And God Bless!

Camp news and support

This month Lisa and I are blessed to be able to go on a retreat with the staff here. It will be a time to grow together and focus on where we are going. In December we will be going to the CCI conference. Other than those things camp slows down for a

month or so. This down time will allow us to catch up on different items that need to be done here at camp. This is also the best time for me to contact **churches**.
